

Six Ways You Can Personally Take Control of Graffiti in Your Neighborhood

Call CRIME CHECK

456-2233

to report graffiti

1. When graffiti appears on your home, apartment building, or business, take a photo of it to document for insurance purposes.
2. Print out the photo and take to your nearest C.O.P.S. Shop, or email it to graffiti@spokanesherriff.org
3. Remove or paint over the graffiti **immediately**. This will help prevent more graffiti.
4. If you see graffiti on public property, such as street signs, retaining walls, poles, traffic control boxes, parking meters, bridges, mailboxes, etc., call CRIME CHECK at 456-2233 and the SPD Graffiti Abatement Coordinator will work with C.O.P.S. Shop Volunteers to cover up or remove the graffiti.
5. If you are unable to paint over or remove graffiti on your property due to physical or financial limitations, call 835-4517 to make arrangements for abatement of the graffiti.
6. Volunteer at your local C.O.P.S. Shop. Be a volunteer...be part of the solution!

Contact your nearest C.O.P.S. Shop to see where you could make a difference by volunteering in your community!

Log onto www.spokanecops.org to locate the shop nearest you!
